About Rubicon Project

Rubicon Project is the world's largest independent sell-side advertising platform, following its recent merger with CTV leader Telaria in April 2020. The company provides global publishers with the technology and expertise to monetize their premium content and data across all screens and formats, including desktop, mobile, audio and CTV, in a transparent environment. In addition, the world's leading agencies and brands trust Rubicon Project's platform to access brand-safe, high-quality ad inventory and execute billions of advertising transactions each month. Rubicon Project is a publicly traded company (NYSE:RUBI) headquartered in Los Angeles, California with global offices across North America, EMEA, LATAM and APAC.
